Chamber Hits Goal and Installs Officers

The Marine City Chamber of Commerce is pleased to announce it has hit its goal of 100 members.

Back Porch Antiques, 550 Broadway, Marine City, was member number 100. They are also the 11th member to join during the Chamber's membership drive during July, August, and September, joining eighteen other members gained during the last twelve months.

"One hundred plus members is realistic for our Chamber," stated Georgia Phelan, Marine City Chamber of Commerce President. "What helped us reach this target was a renewed focus on business-related products, services, and programming. As long as we maintain this level of business support, we should be able to stay at this level."

A full list of Marine City Chamber of Commerce members is available at www.marinecitychamber.net.

The Marine City Chamber will be installing its officers for the new Chamber year on October 27 at a 7:45 a.m. breakfast meeting at the Riviera Restaurant. Marine City Mayor Bob Lepley will be the installing officer. The public is invited to attend; there is no cost, other than purchasing breakfast, if desired.

2010-11 Chamber officers are Georgia Phelan, Thompson-Phelan Group, President; Christine Kadey, KD Bookkeeping Services, Vice President; Erin Wright, Broadway Pizza and Grinders, Secretary; and Amy Hart, McBride, Manley & Miiller, Treasurer. The remaining Directors for 2010-11 are Jeff Arpan, Fifth Third Bank; Art Bryson, AB Computer Solutions; Gary Forst, Muffler Doctor; James LaLonde, Steinmetz-Vandenbossche Agency; and Larry Nichols, Riverside Wash & Lube.
